

## AOA Event Sanction Application

AOA is committed to the growth and development of ski racing throughout the Province.

Ensuring clubs have opportunities to promote their programs to the membership as well as provide the necessary insurance coverage for all participants remains a high priority for Alpine Ontario.

Alpine Ontario will continue to make available event insurance for AOA sanctioned clubs who wish to host additional supplemental events to ensure the appropriate coverage is made available for all competitors.

### **How are events calendared?**

All supplemental events are calendared through Alpine Ontario. Applications must be submitted prior to **November 1<sup>st</sup>** to be eligible for consideration. This is to allow AOA to assess calendar conflicts and the below criteria.

Submitted event plans will be reviewed and sanction applications will be completed by **November 15<sup>th</sup>** for calendar publication by **December 1<sup>st</sup>**.

### **What are the submission guidelines?**

Please submit the attached application detailing the following areas:

- **Athletic merit** - How does the proposed event fit with the AOA program guidelines and LTSD/LTAD.
- **Target group** – what is the qualification process or is the event open?
- **Registration** – what is the process for registration?
- **Competitive Focus** – What is the focus of your event? Give us details on how the event will run and level of competitive focus.
- **Skill Development** - What additional skills development opportunities are being presented?
- **Coach education** - Are there coach education components to the project, eg. Speed module, mentorship.
- **List of Qualified Officials responsible for the event** – Who is the ROC? What are their official's levels?
- **Venue Information** - Where are you hosting the event? Is this a homologated venue? Who is the program head coach?
- **Safety Protocol** – (EAP) What is your safety plan for the event?

## **Benefits of sanction**

- 1) Acapoints.ca codex creation and use of [www.acapoints.ca](http://www.acapoints.ca) for race entries.
- 2) Use of AOA platforms for promotion of events, inclusion on the AOA calendar including posting of race notice.
- 3) Use of the ACA official's pool for race execution. Upon request AOA will facilitate the assignment of an ACA TD.
- 4) Race support from AOA/SOD – operational support - bibs (if available), race administrative and technical support.
- 5) Insurance coverage for all athletes, officials, coaches and primary liability coverage for host club. Without AOA's sanction, officials, coaches and visiting athlete's claims will not be valid against ACA/CSA insurance policies, thus putting the host club at increased exposure.

\*\*Please note that conflicting event sponsors cannot be included on the event race notice or the AOA platforms.

## **How much does AOA/ACA sanctioning cost?**

\$150.00

Your club will be billed once your event has been approved.
